We offer two options for worship on Sundays: in person or online. Whether you prefer to worship from the safety of your home or with others, we at St. John's want to make sure you get the spiritual encouragement you need. Join us in person each Sunday at 10:30am or watch a video recording of the online service. The service is not recorded live but is uploaded after the service has ended. We look forward to worshipping with you!

Letter From The Pastor

May 2024

This month's letter from me is a little different. I want to provide an update on some decisions my husband and I have made regarding his ongoing health care while I continue as your Pastor.

As most of you know, my husband has a form of arthritis that has left him on disability for most of our marriage. His original diagnosis predicted he would be in a wheelchair by the age of 35, and thankfully that still has not happened even though we are both well past that age. Yet it still has been degenerative, and has led to other related health challenges.

The modifications you made in the parsonage before we moved have been a significant help, especially in these last six months. We are grateful. However, over the last year the chronic, degenerative nature of his illness has taken another step down. He has reached a point where he needs further assistance than I can currently provide at home if he is to have a good quality of life. We knew that he would get to this stage at some point, just not when it would be.

After much prayer and discussion together we both agree that I still have ministry to do here with your two churches. Therefore we are currently looking for an assisted living facility in Winona that provides the level of assistance that he needs, which includes the ability to assist in transfers when he is in a flare up. It is possible that we may have to broaden the search to LaCrosse. Our last resort would be for him to return to Florida to an assisted living facility there, while I remain here until I retire, or you get tired of me. I shared this with the joint Consistory meeting in April with St. Johns and Hope's leadership.

I share this for several reasons:

- 1) I believe in being as transparent as possible and appropriate with the congregations. There is less chance for misunderstandings this way.
- 2) Related to this, if you remember playing the game of "telephone", you understand how messages convey through multiple times and multiple ways become nothing like what was originally shared.

Letter From The Pastor

May 2024

So if you start hearing about “Pastor Deb’s husband is moving out” or “Pastor Deb and her husband are separating”, you know what is really happening. (Ask me sometime to share the story of how in one church people were looking at me strange when I came in all happy to church one Sunday because they had heard my husband had “died”- which he certainly did not. I don’t want a similar occurrence of misunderstanding here.)

3) We have made this choice in order that I can continue here. I feel that we still have much to offer each other, and I am not ready to leave here, or take an early retirement. It is our intention that this decision will extend my time in ministry here.

4) Once we do find a place, it may necessitate me taking time off on short notice.

5) There may be a tendency to think “I don’t want to bother Pastor Deb with this- she’s got so much on her plate.” Please ask. After over three decades of helping my husband, and over two decades of ministry, I have learned when I am reaching my limit. Please trust I will let you know if I am unable to meet a particular ask, or if I need assistance in meeting my responsibilities to you. I love ministry, and I love being your pastor, and it gives me joy. I will remain at the parsonage. This makes sense due to its proximity to the two churches and your members.

Many of you have already walked a similar path or are in the midst of considering similar decisions for your loved ones or yourself. My husband and I are not unique. I hope that we are also not unique in our faith that even in the most difficult decisions, and the inevitable changes in life, we have a God of love who desires a good and joyful life for all God’s family. And as God did with raising Jesus from the dead, God’s love will not abandon you even in times of pain, or challenges. For like the Apostle Paul, I firmly believe and have experienced that nothing, absolutely nothing, is able to separate us from the love of God that is revealed in Christ Jesus.

God’s grace and peace.

Consistory President Message

May 2024

It's been several years since I had the opportunity to serve St. John's as its president so please bare with me as I once again get into the groove.

I would like to start by THANKING Dale for the great job he did over the last six years! His patience and determination led our church through the most troublesome time in my 74 years of belonging to this church. Many things have changed, many policies rewritten, many things learned and more changes are forth coming. May God be with us as we slowly make the necessary changes to get and keep our church strong.

On another subject, we still have some vacancies on a couple of committees, those being the deacons(two people needed) and the investment (one person needed). We really need to have these positions filled as soon as possible so our church can function as good as possible. Pastor Deb or myself would be most happy to answer any questions you might have.

On another note, the consistory is beginning to study making structural changes to our constitution. These changes will stream line how our church works and in the process "modernize" it. The last time the constitution was updated was when pastor Fritz West was here.

The trustees are dealing with a collapsing parking lot wall. the south side parking lot wall has a HUGE bulge in it. A study committee has been formed to study the problem and possible solutions. The members are the trustees, also included are Randy Bohm, Paul Duellman and myself.

Wednesday, April 17 a joint consistory was held at Hope. Discussed were church time changes (Sunday, July 7) and the next joint meeting Wednesday, October 9 which will include finance negotiations for pastor.

One last item... it was decided that the church needs a good clean out and inventory of church property.

Consistory President Message

May 2024

To accomplish this, it was decided to do it in place of a Sunday morning worship service; this is what is called a “hands on” worship thanking God for what He has given us over the years and also where these things are located in the church building. Upon completion, a list will be compiled and kept in the church office for everyone’s use.

Any questions about anything, please call... if I don’t know, I will do my best to find out.

Hope everyone has a great month of May.

God’s grace and peace.
